

Reiki - Integrative Therapy Shares:

There are Reiki - Integrative Therapy Shares held once a month on the first Wednesday of every month unless noted. They are held from 7:00-9:00 PM. The upcoming month's Share will be confirmed that night.

Shares are set up in such a way that the first hour we share while having a bite to eat, then the second hour we all try to get some table time. Anyone who is interested in learning Reiki, or is already a practitioner is welcome. If you are interested in learning Reiki, classes will be set up and announced at each share as needed.

If Reiki was always something you wanted to know just a little bit more about, the shares are a great place to experience your first session. There are many masters within the group that truly enjoy sharing their own personal experiences with this wonderful ancient healing art, along with other modalities they have tried.

If you have further questions, please do not hesitate to contact the studio 413.250.0455.
